- Hideaway brass anchors recess flush with deck.
- Optional spring skids prevent chips and dings in decking.
- Limited 144 month warranty.
- Easy clean-up and maintenance.

*Anchor Mesh Pool Covers are designed to meet the ASTM F 1346-91 Standard Safety Performance Specifications for forming protective barriers over any in-ground pool.

Available Colors

Green Mesh

Black Mesh

Blue Mesh

MESH-MATE

Anchor Mesh-Mate is not a safety cover...

Mesh-Mate floats on the surface of the water beneath the Mesh Cover forming a barrier to block sunlight and inhibit algae growth while also reducing the amount of silt on the pool sides and bottom.

Reduce:

- Algae
- Labor
- Chemicals
- Acid Washing
- Filter Maintenance
- Costs
