Pooltec® 3-in-1 Pool Water Treatment Algaecide...Water Clarifier...Chlorine Booster

- Continuous prevention of green, yellow and black algae. Kills most algae in 4 to 24 hours.
- Strong clarifiers create ultra-clear water.
- Boosts chlorine's effectiveness up to 6X (600%).
- Improves salt cell's chlorine output and performance.
- Powerful treatment for heavy use and salt cell pools .
- Very effective even at phosphate levels above 5,000 ppb.

Superior results when compared to sodium bromide, copper, silver, enzyme and phosphate remover treatments.
